

NOTIFICATION PROCEDURES AND ROSTER

All CAP Activities Under the Administration of NER Headquarters

1. NER Supplement to CAPR 62-2 requires that all units maintain a mishap notification roster to specify the procedures to be followed when reporting a mishap and to identify those members to be notified.
2. Personnel assigned to the Northeast Region Headquarters or appointed as a project officer for a Region sponsored activity are responsible for the safety of all personnel and property at that activity. All NER Headquarters staff will maintain a familiarity with CAPR 62-1 and CAPR 62-2, as supplemented. In the event of a mishap that causes injury or damage to resources, any member that is present and able is required to immediately notify the Region Commander, or in his/her absence, a Vice Commander and the Region Director of Safety.
