

## NEW YORK WING OPERATING INSTRUCTION 11-10

1 JUNE 2011

Transportation

### CAP VEHICLE OPERATION

This instruction prescribes the procedures for inspection of CAP vehicles:

1. No member of New York Wing, cadet or senior, is allowed in the driver's seat of a CAP vehicle, whether to operate or inspect it, unless they have both a valid State Driver's License and a current CAPF 75 (CAP Motor Vehicle Operator Identification Card).
2. This procedure applies to all activities, including Encampment.
